FRIENDS OF BEAGLE WELFARE

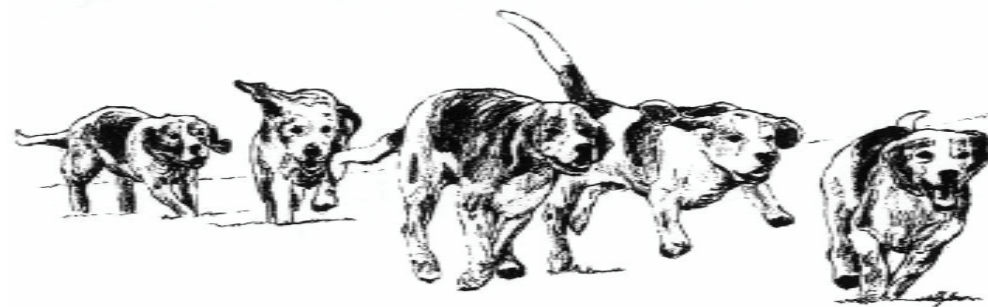

DONATION SCHEME

Not everyone can give time, expertise or kennel space to help a Beagle in need, however much they may wish they could - but everyone can help the representatives of Beagle Welfare to carry on this very important work by making a regular donation through the Friends Of Beagle Welfare scheme.

For a minimum donation of £10 per year - that's less than 3p a day - you can show how much you care about the less fortunate members of this lovely breed.

We shall send you our Newsletter, In Full Cry, twice a year, to keep you in touch with the work of Beagle Welfare and inform you about get-togethers for Beagles and their owners. You will also have the opportunity to buy some goods of special interest, commissioned by us and exclusive to Beagle Welfare, with all profits going directly to help Beagles in our care.

If you could give a little more than £10, we should be very grateful and you might also like to make your donation through the Gift Aid Scheme. This will increase its value to Beagle Welfare without costing you any more. Please complete the form overleaf or call Sid Dunn on 01280 814336 and join us as a Friend Of Beagle Welfare today.

**THE BEAGLE WELFARE SCHEME
Registered Charity No 328633**

Beagle Welfare was founded in 1979 to re-home Beagles who could not be kept by their owners and to give advice and information to owners and potential owners of Beagles. It is run by a dedicated team of volunteers and has the support of the Beagle Breed Clubs of Great Britain.

Over the years, Beagle Welfare has helped hundreds of Beagles to have a second chance and find a happy home. Beagle Welfare officers have also given advice, which has helped many owners to get through a problem and keep their dearly loved pet.

Prospective homes are thoroughly vetted by Beagle Welfare officers and are given the full history of hounds offered for adoption. Contact is then maintained with the new homes for months and often for years, to ensure that the hound settles well.

Beagle Welfare depends on the support of caring Beaglers and needs donations, fund raising and practical help. The Friends Of Beagle Welfare donation scheme provides a useful regular income and helps towards the ever increasing cost of re-homing an ever increasing number of Beagles. In 2009, we re-homed 212 Beagles, our kenneling costs were £45,000 and our vets fees were £17,000. So, you can see that donations are vital to the ongoing work of the Charity.

Owners giving up a hound and those new owners adopting a hound are also asked to make a donation towards the expenses of the scheme. Help is always welcome and for further information, a list of Beagle Welfare contacts appears overleaf.

We are always pleased to hear from you, but if your call is not urgent or an emergency, please telephone before 8.00 pm. Thank you.
